

In-tuition

A One Day Psychic Development Course

with

Margaret Stringer

psychic, healer, medium and
author of *The Forgotten Instincts*

A practical workshop designed for those who wonder if they have psychic ability and wish to explore it, and those who know they do and want to expand it.

CROWS NEST

SUNDAY 28TH FEBRUARY 2010

Discover and expand your psychic abilities on this one-day workshop.

Subjects include:

- Readings
- Psychometry (reading objects)
- Tuning into your self
- Tuning into others
- Scanning and sensing areas of dysfunction and/or distress in others, and ways to facilitate healing
- Learning to sense or hear your inner guidance
- Manifesting
